WHY THE Y?

Youth Sports and Swim Lessons

The Gaston County Family YMCA is passionate about Youth Development and what being part of a team can do for a child's confidence, problem solving and wellbeing. We believe that all children should have the ability to participate. Sponsorships allow the Y to keep the cost low for all children to have the opportunity to participate and support amazing programs like Safety Around Water and youth sports teams.

NEW We are thrilled to add our new Pharr Family YMCA gymnastics team as an option!

The YMCA is working to raise funds to strengthen the foundation of community by providing access to Y programs and services, creating access to much needed financial assistance, and collaborating to provide access to programs while sustaining the YMCA throughout Gaston County.

With your help we can better support our community.
